

PREGNANCY
CARE CENTER

February 10, 2017

Lino Munoz
2500 SW Lincoln Street
Topeka, KS 66611-1318

Dear Lino,

Thanks to you and the area councils, a frightened and uncertain new mother was able to see an amazingly clear image of her baby jumping and moving and its tiny heart beating! The power of the sonogram image makes the difference between a scared mom making a hasty decision to abort or seeing the life within her and choosing to parent or place for adoption.

Thank you for your tremendously generous gift of a new sonogram machine to the Pregnancy Care Center of Lawrence. Your willingness to raise the funds to replace our old sonogram machine is not only a huge contribution to the center and Douglas County, but most important is the difference it makes in the lives of our clients. There is no mistaking the tiny life they are seeing.

It was such a pleasure meeting the Knights and Father Jeff the day of the reception. I am amazed at all the good things The Knights of Columbus do! You work tirelessly for so many important causes. We are especially grateful for your passion and heart for the unborn. I can think of no other issue in our country that is more important than saving the lives of God's image bearers.

We would love to give anyone who is interested a tour of the center. Bridgit Smith, our Executive Director, is always available to set up a visit or to answer any questions you may have. Please don't hesitate to call her at 785-842-6499 or email her at bridgit@pcclawrence.org.

On behalf of the PCC Board of Directors, thank you for your most generous gift! We are truly grateful and it is an honor to serve our Lord in the fight for life alongside The Knights of Columbus.

For the Lord of Life,

Cindy Folks
Board President
